2011 Catalog

SPRING 2011

To search for someplace better. From the very start, The Florsheim Shoe has stood as a bold symbol of commitment. To style. To craftsmanship. And to boundless ambition. A perfect fit for The Man Who Cares. Cuts of leather carefully stitched into a calling card with purpose. Resilient soles built for chasing dreams. What began as a labor of love in a small factory on the streets of Chicago has evolved into a proud tradition of helping men put their best foot forward. Iconic. Powerful. And part of the American landscape since 1892.
