

FIND YOUR FLORSHEIM KIDS SHOE SIZE!

FIRST, print this sheet at 100%

NEXT, check your page's scale

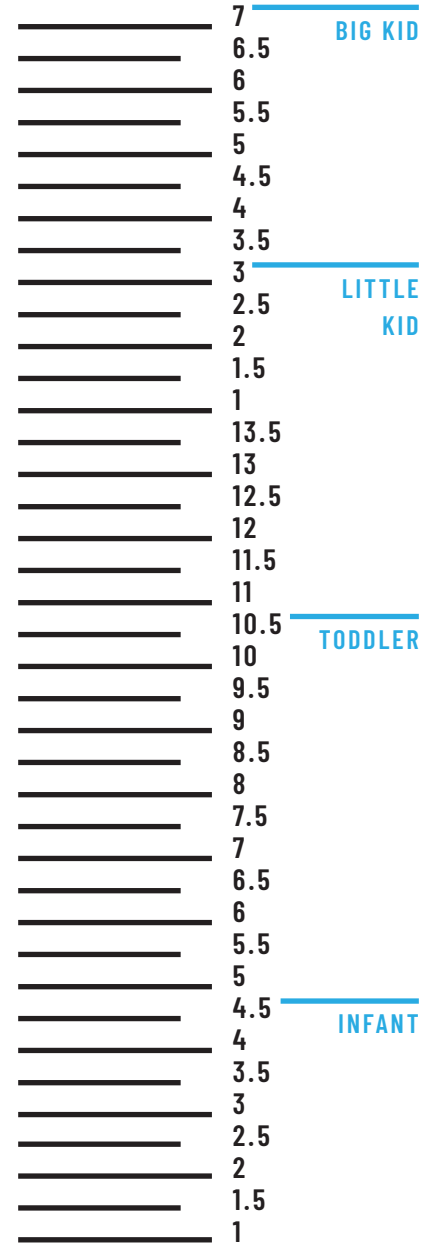

These lines should measure 5"

NOW follow these simple directions:

1. Line your child's heels up to the dashed lines at the bottom of the page, on a flat surface.
2. Draw a line in front of your child's longest toe.
3. Pick the size closest to your child's measurement.
